"Have you finished the layout for the Faculty Section?...Who in the world are these people?...How many yearbooks were sold today?...Re-schedule club pictures--snow and flu have delayed us...Think of a caption for this shot!...What happened to the dividers?...We have our final deadline--tomorrow!"

This excitement and hurry were with the staff members every day during the year. We had been completely inexperienced at the beginning of the term, but eager to learn. Under the patient leadership of our sponsor, Miss Lowman, we learned the techniques of putting out a yearbook--drawing dummy sheets, identifying pictures, and making ready the final pages. With a few added touches--a new cover, the Mount Vernon Major as a guide through the pages, and new sketches, we hope the 1957-58 Surveyor brings back the highlights of the school year.

The Student Council Association is one of the most honored and respected organizations as well as the oldest in the school. It is functioned by five officers who are chosen at the close of the current year for the following term; a fourteen member cabinet which help in Student Government projects and included is the coordinating body which is the go-between for Faculty, Administration and students; a Senate which is composed of two Senators for each grade; and House of representatives, composed of a representative and alternate from each homeroom.

Our highlights include the Magazine Campaign which finances many school activities. We also edit the school directory which contains the name, address, and telephone number of each student at Mt. Vernon. We send delegates to county meetings and the State Convention.

The Student Council's aim is to instill in every student an honor and responsibility in attempting to create a more keenly felt school spirit. We have successfully maintained a wider and more deeply felt spirit of self-reliance.

This year, as in all years, the Pep Club was organized to encourage school spirit and to support all athletic contests.

During the Football season we elected three committees which sold cow bells, pom poms and confetti at games. We also had a card committee which held up signs at the games which said "Go Majors" and "Fight Team." When basketball season arrived we helped sell cokes during half-time.

During the year we chartered busses for as many "away" games as possible.

EM-VEE-HI

Editor:
Shirley Swenson

Em Vee Hi, the Mount Vernon High School publication is published monthly by the staff, with the help of the creative writing class. This year the creative writing class met at the same time as the staff, and they served as the reporters.

This was a very busy group. Their work consists of writing, proof reading, editing, drawing up dummies and meeting deadlines. The paper was printed by the Messenger Press in Manassas, Virginia.

These students were invited to several press conferences this year, and interviewed Bob Wagner, Tommy Sands, Miiko Taka. Five of the staff members attended the conference at American University. Two staff members toured the headquarters of the American Automobile Association.

The Em Vee Hi is a member of the honorary writing society, the Quill and Scroll and the Southern Interscholastic Press.

The Quill and Scroll is international honorary society for high school journalists. In order to become a member of Quill and Scroll a student must meet the following requirements: They must be at least a junior; be in the upper third of their class; have done superior work in some phase of journalistic or creative endeavor; and be recommended by the sponsor and approved by the Executive Secretary.

Special awards are given to those students who fail to meet all of the qualifications, but who have done outstanding work in journalism. Skippy Gould and Marie Agnes Clarke received special recognition awards this year.

The Key Club of Mount Vernon is a service organization operating by the Kiwanis Club of Alexandria. This club is made up of twenty boys who have shown outstanding qualities of leadership and citizenship and who have maintained high academic standards during their high school years.

The purpose of the club is to perform any service that it deems necessary to help the school and the community. The Key Club, as in previous years, conducted the "Mile of Dimes" Disk-jockey show which netted a considerable sum for the benefit of the crippled children's fund. On College Day members of the club escorted the various college representatives around the school.

The Mount Vernon chapter of the National Honor Society had an enjoyable and interesting year with our goal being to encourage high standards in leadership, character, scholarship, and service, throughout the school.

We had several projects including the compiling of an Honor Roll after each marking period and a bulletin board display in the front hall. Many of our activities were connected with college. We had speakers and panels of students from various colleges as guests at our meetings which were open to all students in the high school.

Together with the Key Club, we sponsored Career Night where representatives of many professions answered the questions of tomorrow's adults.

This year the Dramatics Club, in addition to other things, presented a one-act play to the school. The play "Scrambled Eggs" was enjoyed by all who saw it.

We would like to thank Miss Messick, our sponsor, for her excellent leadership which was a great factor in our gaining a better understanding of the theatre and its traditions.

Part of the cast of "Curious Savage" perform on the night of the play. LEFT TO RIGHT: Seth Ogens, Jay Reneau, Ann Corbin, Suzanne Clark and Darleen Faris.

Fred Quist, Susie Brown, Lee Williams, Jerry Dorsey and Judy Donohue seem to be enjoying themselves at rehearsal for "Scrambled Eggs."

ADVANCED SCIENCE CLUB

The advanced Science Club was organized early in the school year, having twenty members. We met regularly for a business meeting on the first Wednesday of each month, and used the rest of our meetings for laboratory work and special talks and demonstrations.

Several of our members entered the Westinghouse Talent Search for Science, submitting a one-thousand word paper and taking an examination.

As always, we sponsored the annual Science Fair. Some of us were really working up to the last minute. But we had a large turnout of exhibits in all phases of science. Some displays went on the Regional and State Science Fairs.

OFFICERS, LEFT TO RIGHT: Jay Brown, Ron Dudley, and Lilo Weihe.

JUNIOR SCIENCE CLUB

OFFICERS FROM LEFT TO RIGHT: Dewitt Myatt-Reporter, Joe Bacci-Secretary, Bernice Cartledge-Vice President, and Eddie Byrd-Treasurer.

The Junior Science Club had a good start, late in the first semester, with a field trip to the Nuclear Power Plant at Fort Belvoir. Throughout the rest of the year, our field trips took us to such interesting places as a tour of the Atlantic Research Laboratory in Alexandria and the Planetarium at Fort Belvior.

We also invited several guest speakers to our meetings to discuss topics of current scientific interest.

The club's purpose was to stimulate a greater interest in science and to assist its members with their science projects.

MEMBERS FROM LEFT TO RIGHT: Jon Van Dyke, Nick Lederer, Betty Jo Sacca, Bruce Duff, Jack Matthews, Margaret Hefflin, and Randy Stark.

DEBATE

DEBATE OFFICERS: LEFT TO RIGHT: Gene Vinogradoff, Vice President; Gale Remington, Secretary; Bob Yens, President; Jim English, Treasurer.

This year the club was larger than usual, but it proved to be a cohesive group, participating with all energy in the Northern Virginia Debate League. The topic was Foreign Aid and the debaters were good.

Besides the routine work, the Dabate Club has had its social aspects, the highlight of which is the annual excursion to New York City, which took place April 11-13. We have also planned our beach party for the summer.

FORENSICS

A wide variety of students participated in the Forensics Program this year. They began early in January and Mount Vernon had on hand as fine a group of contestants for the spring tournament as we have had at any time in the past. Probably that counts for the fine record we made in the annual Forensics Contest.

Most of the participants were new to these activities; in fact, it was rather surprising to see certain of the boys suddenly reading poetry--and with considerable ability. The enthusiasm for this particular meet was so unusual that even eighth graders participated, even though they knew they could not be elgible for consideration. Despite this, for the first time, the judges were unanimus in their choice of the winner.

The Future Homemakers of America had a large group of 113 girls. All but a few were enrolled in a Home Economics Class.

In the spring the major officers were elected and in the fall the rest of the officers including Chapter Mothers and Fathers.

The club had many activities. For Christmas they sold Christmas cards and wrapping paper and received a Silver Service which they presented to the Home Economic Department. In February they went to the Ice Capades. They also attended a series of Federation Meetings.

In the last week of March they had F.H.A. week. This was when the members got together and carried out certain activities. They included going to Church on Sunday, a tea for the faculty and the annual Beauty Contest.

On the first day of May they gave cookies to children in an Army Hospital, which they had made themselves. In May they went on a field trip to one of the neighboring colleges.

At the end of the year the club hald a parent-daughter banquet where the degrees of achievement were given to each girl who earned hers.

Also at the end of the year a convention was held at a college nearby. For every twenty-five members one girl can go to represent her chapter. Here the state degrees were given. The Mount Vernon Chapter had four applicants for this degree, more than they've ever had. This convention is helpful to everyone besides being a lot of fun.

The Senior Commercial Club consisted entirely of senior girls who took second year shorthand. Meetings were held during the class period only when the need for one arose.

One of the highlights of the year was a field trip to near-by Washington Cocoran Art Gallery, the Federal Bureau of Engraving and the Medical Museum. The club also sponsored activities which included "Good-Grooming Days" and it was a co-sponsor of the annual Beauty Contest.

The Latin Club was composed of former Latin students and those taking Latin this year. The purpose of the club was to further interests in Latin.

The Latin Club provided the Christmas program for the Foreign Language Club with their presentation of "Io Saturnalia", a play showing the celebration of the Saturnalia.

This year our club became a chapter of the Junior Classical League, a national organization of Latin clubs. Membership cards and pins were received by members of the club. We hope this affiliation with a national organization will create a greater interest in and appreciation of the language.

Under the sponsorship of Mrs. Alpert, the French Club this year presented plays which were simple and easy to understand. Christmas kept the club very busy. French Christmas cards were sold to the school and PTA. These made nice souvenirs as well as enjoyable Christmas greetings. Finally to top off the season, we held our annual Christmas party.

This year the French Club attempted something new at Mount Vernon. We had Mount Vernon book covers made. This was welcomed by the teachers and certainly raised school spirit.

This year as a result of a late formation, the Cotillion Club did not accomplish as much as it had planned. However, the club did carry on many interesting activities. Dancing was a main attraction after all meetings which were held every first and third Monday of the month. Membership, ususally limited, was open to all interested reaching a maximum of fifty this year.

The one big dance held by the club was a semi-formal attraction given for club members and their guests.

Our club representatives participated in the "Buzz Sessions" at the Virginia State Future Teachers Association Convention last Fall. On April 18, here at Mount Vernon, the Fairfax Education Association Future Teachers held its first county-wide meeting --a First which we were pleased to accept. As money raising activities, we engaged in the sale of calendars, symphony and Jobilaire Musical tickets for the purpose of building the Scholarship Fund for our local Fairfax Education Association. The scholarship fund was originated by the FEA in order to provide a means of education to a worthy high school senior.

Our aim and purpose is: To encourage pupils to enter the teaching profession; to maintain a deep respect for Faculty, classmates and others connected with the profession; to promote leadership, understanding, moral character and self-discipline; to challenge pupils with ability, faith, personal worth and patience to meet the needs of our public educational system and teacher shortage.

One of the most outstanding activities of the club, which was very active, was the drive for canned food and toys for underprivileged children. The club orginated, organized, and promoted D.E. night in cooperation with the Fairfax and Annadale D.E. clubs. All of the D.E. students attended the District Convention on February 12. Mount Vernon won third place in the merchandise presentation, display, and job applications contest. Mr. Dodrill, John Robey (President of the D.E. clubs of Virginia) and elected delegates from the club attended the state convention on March 8-11. The annual Employee-Employer Banquet was held on April 22 at the Fairfax Country Club with the Fairfax and Annadale clubs.

SAFETY PATROLS

The patrols of Mount Vernon were organized to promote safety for the students on school buses and on the grounds around the school. Evidence of a job well done is found in the excellent record of accident prevention in the past years.

Members of the organization were selected by Mr. Moore and Mr. Robinson from a list of volunteers. The group is composed of approximately forty-five boys and girls for all grades and are under the leadership of their officers and sponsor.

For extra-curricular activities this year, the group went to Glen Echo Amusement Park, and held a dance in the high school gym. We also attended a professional baseball game.

The bus patrols are easily recognized around school by their badges and their concern for safety on around the buses.

Each year it is necessary and a utility to the school to maintain a Hall Patrol of Monitor system. The group is composed of forty-five boys and girls who are chosen and guided by Mr. Landes and Mr. Layne. These students come from each grade, eighth through twelfth. Although, safety is a prevailing feature of the hall monitors this is not their primary job as it is with the Bus Patrols.

The job of the monitors is to maintain hall posts during each period of the day. The reason for this is to direct visitors who come to our school to their destination; in this position we act as a welcoming group. Also our duties during the school day are to keep the halls and closed areas of the school clear during the lunch shifts.

BABY,

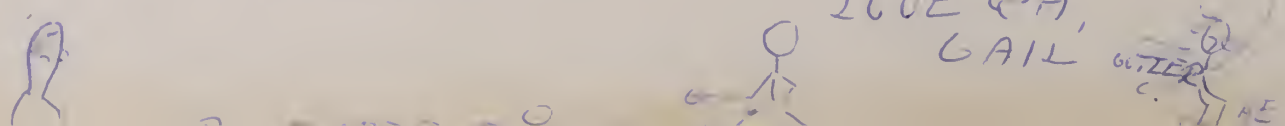
EACH YEAR WE SEEM TO BE "STUCK" IN SEVERAL CLASSES TOGETHER. REALLY IT HASN'T BEEN TO BAD CONSIDERING OUR ONE MAIN INTREST SEEMS TO BE THE ALONG THE SAME LINES.

REMEMBER OLD U.S. HISTORY, TYPING, LUNCH, PHYSICAL ED. AND OF COURSE OUR OLD FAMILAR GOSSIP SESSIONS IN ART ABOUT WHO DID WHAT WHEN, WHERE, AND HOW. WE ARE ALWAYS ASSURED OF OUR E IN ART (IF WE BROWN). NEXT YEAR WE KNOW WE SHALL HAVE ONE CLASS TOGETHER

DON'T FORGET "JOBIES" AND THE GOODTIMES WE HAVE HAD IN IT. ONE DAY MAYBE YOU AND I MAY MAKE IT IN LINE. OF COURSE THE RATE I AM GOING THEY WILL KICK ME OUT BECAUSE OF MY GRAY HAIR AND CANE. I KNOW YOU WON'T FORGET JOBIES -- REMEMBER IT ALSO HELPED BRING YOU AND MARTY TOGETHER. SPEAKING OF MARTY...(THAT'LL START A NEW PARAGRAPH)

... BAG HE SEEMS TO BE A REAL NEAT GUY AND I HOPE THAT YOUR RELATIONSHID WON'T BE SHORT BUT LAST FOREVER. OF COURSE I MIGHT SAY HE WALKS DOWN THE HALL WITH HIS NOSE UP IN THE AIR AND WON'T TALK TO ANYONE BUT YOU BUT I GUESS THAT IS GOOD FOR YOU (THE SNOB) JUST KIDDING NO JOKE HE'S NEAT.

LOVE YA,
GAIL



1151-38

Well, "BAB" we finally made it to our Senior year - now we only have to struggle through it to graduate. I know you enjoyed your Junior year especially with ---- what's his name oh yes, MARTY!! I didn't see how you could only like "one" boy last year, as I liked 3 or 4 different ones, Mainly "SRW" - remember that surprise? (Faith Ken I Larry Wing) about RIZO This year I'm with you, at least so far, no telling what will happen after school starts I guess you know who I am talking about ------ "B." You will have to mark my word next June and see if I stick to the same one.

See YA IN '69 (IF I'M STILL LIVING)

The very best of luck in everything you do and I wish you and Marty all the happiness in the world. I think you two are one of the cutest couples at M.V.

Don't forget the good times we have had together - gab sessions etc. - maybe we can see more of each other at M.V. this coming year.

Love ya,

The other "BAB" -> Betty Ann (Gray)

MARTY

I'LL BE LOOKING FOR YOU THIS SUMMER IN HAWAII !! (I wrote that in now)
